James Satcher, Director

The Western Hills congregation is one of many contributors to the Worldwide Spanish Literature Ministry. Involvement dates back to 1995. Support of evangelistic efforts is provided to assist with the translation, publication, and distribution of biblically correct Spanish literature and Bibles to the Spanish speaking world. During the past year over 1,000,000 tracts, Bible studies, booklets, books, songbooks, textbooks for teachers, and personal worker helps have been printed and distributed. The printing is fluid either before or after shipping as needs arise. Local evangelists are available to work Spanish World Bible School. James Satcher has accepted the role of Director from the retiring Charlie Brown. James assumes the roll of taking up the challenge. For over thirty years the Crier has been published with update information regarding the work. Western Hills' gift to the work helps enable people who are simply seeking the truth to know of God's will. Please pray for this ministry as it is dedicated to saving souls and glorification of God.
