**FOCUS ON MISSIONS  
PRAISE THE LORD!**

Due to the generous giving of the Western Hills family, \$9000 was given at the special missions fund contribution last Sunday, Aug. 30th. These funds are to be given to special projects such as the water well drilling and the goat raising project. Others that may be considered in the future include the program to help children with cleft palates. Thanks and praise go to all who were able to support these efforts. If you were unable to contribute last Sunday but would like to now or in the future, just put your contribution in the collection tray and mark it Missions Special Funds. Pray for God to bless all these efforts to help his children!
