TURKEY TIME!

Last year the Western Hills family provided a turkey dinner for 300 families. This year, due to the economy with more people needing food, our intent is to feed 330 families. Beginning the first Thurs. in October, tickets will be given out each Thurs and distribution will be on Thurs., Nov. 19th. We estimate \$25.00 per family for a complete meal. Special contributions are needed. Please mark your check "Turkey" or put cash in an envelope marked "Turkey". If you plan to make a contribution later, write "Turkey" on your attendance card so we will know how to plan. Thanks! JT Molder

HEALTH YES! The Western Hills Church of Christ will be hosting a Health Yes Preventive Screening on Wed. Dec. 2nd from 8 AM to 5 PM. Health Yes! Provides painless ultrasound tests that can detect those at risk for stroke, heart disease, peripheral artery disease, abdominal aortic aneurysms and osteoporosis—prior to outward symptoms or medical emergency. All results are reviewed by Texas, board-certified radiologists and are available within 4 business days. You will receive the Total Health Screening Package (all 5 tests) for \$169.95—a \$30 discount, simply mention **BD2TX120209** when you make your appointment. Other screening packages start at \$139.95. Appointments are limited, so schedule yours today by calling toll-free, 1-866-933-9414 or by going to www.HealthYes.com.

FOCUS ON MISSIONS

Mission Ministry Members Needed

There are several mission points within the present scope of our efforts that need contact people to communicate with them. We invite anyone who is interested in mission activities and can help in this good work, to attend our monthly meeting today, Sun. Sept. 27th at 3 PM. If you cannot meet at this time contact Dennis McGrane or Charlie Beage for further info. We are also looking for members who would be interested in World Bible School, our mail correspondence has dropped considerably so we plan to start and devote more attention to WBS thru the internet. It is amazing as to how many people have access to the Internet worldwide, especially in the developing countries. They can go to Internet Cafes, Universities, etc. and it is cheaper than postage and faster. If you are interested in any way, please come to a meeting or contact any of our members listed below:
