SOFTBALL SCHEDULE:

HEALTH YES! The prevention of Stroke, Heart Disease, and Osteoporosis starts with proactive decisions. It is estimated that 80% of the 700,000 strokes that occur every year could have been prevented if lifestyle modifications had been made, and the underlying plaque build-up that causes stroke was detected early. On **Wed., Dec. 2 at Western Hills Church of Christ**, Health Yes! Preventive Screening will provide painless ultrasound tests that can detect those at risk of stroke, heart disease, peripheral artery disease, abdominal aortic aneurysms and osteoporosis. Locally owned and operated, HealthYes! Has partnered with Texas, Board-Certified Radiologists to provide participants accurate results in just 4 business days. Packages start at only \$139.95. Total package for all tests \$169.95—a \$30 discount. Just mention BDTX120209 when you make your appointment. Call 1-866-933-9414 or visit www.HealthYes.com.

Isaiah 58:10 “And if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday.”

COMMUNICATION BOX: From your suggestion at the congregational meeting, a communication box has been mounted on the wall in the west foyer. Items that you want to communicate to the elders, signed or anonymous, can be placed in this box. Signed inputs are preferred and will allow the elders to follow-up directly with you. This is not to take the place of meeting with the elders privately, just another avenue of communication. As inputs are received, items of a general nature will be shared with the congregation.

FOCUS ON MISSIONS

Thanks for your generous support of the Magi program to send Christmas gift boxes to the children living along the border around Mission, Texas. We exceeded last years total. Along with the boxes that were prepared by members, enough money was contributed to fill more boxes to bring the total to 118. Thanks again for Western Hills support of special projects connected with our mission efforts. We appreciate Joe and Marilyn Null for coordinating this project and Sandra Wade for assisting. We hope that Western Hills can continue to support and participate in efforts like the Magi Project. God Bless You!
