**HEALTH YES! The prevention of Stroke, Heart Disease, and Osteoporosis starts with proactive decisions.** It is estimated that 80% of the 700,000 strokes that occur every year could have been prevented if lifestyle modifications had been made, and the underlying plaque build-up that causes stroke was detected early. On **Wed., Dec. 2 at Western Hills Church of Christ**, Health Yes! Preventive Screening will provide painless ultrasound tests that can detect those at risk of stroke, heart disease, peripheral artery disease, abdominal aortic aneurysms and osteoporosis. Locally owned and operated, HealthYes! Has partnered with Texas, Board-Certified Radiologists to provide participants accurate results in just 4 business days. Packages start at only \$139.95. Total package for all tests \$169.95—a \$30 discount. Just mention BDTX120209 when you make your appointment. Call 1-866-933-9414 or visit [www.HealthYes.com](http://www.HealthYes.com).

**NEW SOFTBALL LEAGUE:** Western Hills will be playing at Veterans Park in White Settlement off of Clifford St. following worship on Sunday nights except for this Sun. Nov. 29th. A schedule will be posted in the bulletin each week. Come out and support our team!

**FOCUS ON MISSIONS**  
Thanks for your generous support of the Magi program to send Christmas gift boxes to the children living along the border around Mission, Texas. We exceeded last years total. Along with the boxes that were prepared by members, enough money was contributed to fill more boxes to bring the total to 121. Thanks again for Western Hills support of special projects connected with our mission efforts. We appreciate Joe and Marilyn Null for coordinating this project and Sandra Wade for assisting. We hope that Western Hills can continue to support and participate in efforts like the Magi Project. God Bless You!
