GOD IS WORKING IN BEULAH!

"Just to give you some update from Beulah. Over the last three weeks, we have had eight baptisms at Beulah! Six have been through the jail ministry. We have five new families coming to church and have had one restoration. I am having about six Bible studies a week with people, and this Saturday we are having a men's breakfast with the Christian church at our building. We will be studying together the book "They Smell Like Sheep" by Lynn Anderson. The Christian church in our area are now having more and more of their services singing accapella as a result of us working with them! We also have had four different people from the Christian church start attending the church here! Who knows where all of this could go?

The book that I published "Saving Souls in the 21st Century" has now sold 800 copies since April. I have done fourteen evangelism workshops around the state and have three more scheduled for early next year. **God gets all the glory!!**

Keep praying for us"—James Sanderson
